I've seen a lot of rumors on the internet that for "A Star Is Born" I'll be billed as Stefani, but that's not the case. It's Lady Gaga, baby! 🍷

ARTPOP NOSTALGIA

iamdjws So let's continue with the emotional shit. 4 years ago I put out a record called ARTPOP with @ladygaga. I could write a book about it, maybe one day I will. I lost a best friend and manager, LG lost her entire support team, and we were all alone. I am so grateful for this record because it taught me a lot. I made some friends that have changed my life forever in the halls where this record was recorded, whom I love so incredibly deeply. For all her flaws, strangeness and beauty, I thank you ARTPOP for the lessons learned and the gifts you gave. Happy 4th Birthday. I can't wait to introduce you to your little sister soon. #LG6

YOUR GENIUS WILL LIVE ON FOREVER

"I'LL MOURN FOREVER THE LOSS OF MY FRIEND - A TRUE GENIUS IN NOT ONLY FASHION BUT IN HIS HEART. HE WAS A KING AND HAD THE HIGHEST STANDARDS OF DESIGN AND WORK HE WAS SO GIVING, SO LOVING, HIS HEART SO FULL AND PURE. I'D WATCH IN AWE AS HE HAND MADE EACH AND EVERY PIECE, HIS FINGERS TOUCHING THE FABRIC LIKE POETRY. THEN HE WOULD WANT TO FEED US ALL ALL, AND COOK WITH HIS OWN HANDS AND TALK FOR HOURS AT THE TABLE WHILE HIS DOGS WOULD RUN AROUND JOYFULLY SMELLING THE DELICIOUS FOOD HE MADE US. TO SAY HE WAS SPECIAL WOULD BE AN UNDERSTATEMENT. TO SAY HE WAS INTEGRAL, MPORTANT AND INFLUENTIAL TO TO FAHSION IS SIMPLY NOT ENOUGH. NO ONE KNEW A WOMAN'S BODY LIKE HIM. HE SHOULD BE CELEBRATED AS ONE OF THE GREATEST FASHION

DESIGNERS THE WORLD HAS EVER KNOWN." 26.2.1940 / 18.11.2017
